HERA Guidance Available On IFAP Web Site (05/08/06)

Federal Student Aid has been evaluating and finalizing the operational changes that must be made to its student aid processes and procedures to implement the provisions of the Higher Education Reconciliation Act of 2005 (the HERA), Pub. L. 109-171. Federal Student Aid appreciates the financial aid community's patience and understanding over the past few months as it completed this work.

Communications related to the HERA will be posted on the Information for Financial Aid Professionals (IFAP) Web site (www.ifap.ed.gov). These communications include policy and operational guidance that impacts all student aid programs, systems, and processes. To assist users in easily locating HERA-related communications, they are available under the "Higher Education Reconciliation Act of 2005 (HERA) Information" link on the home page of the IFAP Web site. (The link is at the top of the "On-Line References" section.)

Federal Student Aid will post guidance related to the Central Processing System (CPS), Common Origination and Disbursement (COD) System, and EDEExpress Suite, as Electronic Announcements. The summary for these Electronic Announcements will begin with "HERA Operational Implementation Guidance (CPS, COD System, EDEExpress Suite)" so that they can be distinguished from other types of guidance. As explained above, the Electronic Announcements will be available under the "Higher Education Reconciliation Act of 2005 (HERA) Information" link on the home page of the IFAP Web site.

- Pell Data Requests—

Electronic Statement of Account

COD may return COD Edit 609

(Requested/Matching Data Not Found) when a user submits a data request via batch or the COD Web site during a 4 ½ hour period each Monday through Friday night beginning at 10:00 P.M. (ET) and ending at 2:30 A.M. (ET) the next morning. This edit may be returned because the COD System is running its overnight processing/posting during the specified period, and, as a result, some data may not be available for the report. Users can avoid this potential situation by submitting data requests outside the specified period. COD apologizes for any inconvenience this may cause users. (04/19/06)

- Pell Year-to-Date (YTD) Records—

The YTD Record can be used to assist a school with its year-end and ongoing reconciliation processes. Schools also use the YTD Record for the purpose of rebuilding a complete student record or Pell Grant database.

- For rebuilds for the 2005-2006 Award Year, the school can submit the data request via the COD Web site or batch.
- For rebuilds for the 2004-2005 and earlier award years, the school must contact the COD School Relations Center by e-mail to CODSupport@acs-inc.com. The school should include "Pell YTD" in the subject line. If a school is unable to e-mail its request, it can contact the COD School Relations Center by phone. [10/03/05 (Updated 10/27/05)]
